

Parents,

In an effort to "keep up" with technology, we are asking for some additional information for our records this year. We are going to try to move into sending home messages via email or texting. (esp. in the event of poor weather, or reminders to students/families of upcoming events). Also, PLEASE PLEASE PLEASE remember to phone into the office in the event that your student will not be at CCD on a given night...it saves a lot of time for us, so that we can devote that time to your child. We also have several families that no longer have a landline, so it's VERY important that we have a contact number for you.

Thanks for helping us keep up with the times!

If your information should change during the year, please be sure to let the office know.

For your convenience, you are always welcome to email or notify Jody via email at [kernscabin@aol.com](mailto:kernscabin@aol.com) (note....if using email please make it before 5:00 on Wed. night, as typically I won't have time to check email from 5:00 pm on, due to preparing for classes, and class time)

OR

If you know your student won't be attending you can also text or call me at 563-920-4836, I do always keep my cell phone with me on Wed. nights. (just be sure to use a name so I know who I am receiving the message from as the names don't come across)
